

First American Multi-Manager Funds

Multi-Manager Domestic Equity Fund

Fund Objective: Provide long-term capital appreciation. Any income received is incidental to this objective.

Fund Strategy: The fund will utilize a "multi-manager" approach, allocating assets to one or more sub-advisers who act independently and in keeping with their distinct investment styles. Assets are primarily invested in common stock of U.S.-based companies.

The fund characteristics and top holdings shown above are based on a look-through of any underlying mutual funds or ETFs held within the Fund. ETF holdings are available daily, while mutual fund holdings are only published on a monthly or quarterly basis. As a result, holdings used for the look-through of third-party mutual funds may be as of the prior month or quarter end depending on the most recent information available at the time this report was published.

⁴ Acquired fund fees and expenses are expenses incurred indirectly by the Fund through its ownership of shares in other investment companies (including exchange traded funds). The percentage stated above represents the Acquired Fund Fees and Expenses as of the most recently completed fiscal year and is subject to change.

⁵ The Total Annual Fund Operating Expenses do not correlate to the "Ratios of Average Net Assets of Expenses, Prior to Expenses Waived/Reimbursed/Recouped" provided in the Financial Highlights section of the Prospectus, which reflects the operating expenses of the Fund and does not include acquired fund fees and expenses.

⁶ The advisor has contractually agreed to waive fees and reimburse fund expenses through December 31, 2024 so that the total annual fund operating expenses do not exceed as stated. These waivers and reimbursements may be terminated any time after December 31, 2024 by the advisor. Prior to that time, waivers and reimbursements may not be terminated without approval of the fund's board.
